All- Attached is a white paper/strawman proposal on governance. Sorry to not get it out sooner, I've been having computer issues today. I was not planning to draft anything on the 7/10 issue, it was my understanding that someone else was working on that piece. Thanks, kaylee

Attached is the suggested agenda for Tuesday's meeting. I hope that we can focus on making progress on the governance and section 7/section 10 items (2 and 3) on the agenda. I believe Federico and Kaylee will have something in writing on those items.

I have included Structural Issues as item 5, based on a discussion I had with some of the PREs this morning. I anticipate that Dan Castleberry will take the lead in describing where we are on these, and that we can decide on a process for developing an approach to these issues.
